## CATEGORIES

**EWZ-LIMMATSTROM  
12:00 PM (CHECK-IN: 11:00 – 11:15 AM)**

Be there when the 60th Zürich Limmatschwimmen kicks off. The ewz-Limmatstrom category opens the event as an exclusive highlight. You swim as one of the first in the Limmat, before the big wave follows. Each winning pair receives an exclusive Limmatbag, so their personal belongings stay dry while swimming.

The 30 x 2 tickets are raffled exclusively among ewz customers via the customer portal «Mein ewz» - [www.ewz.ch/limmatschwimmen](http://www.ewz.ch/limmatschwimmen)

**LEISURE SWIM  
STARTS CONTINUOUSLY FROM 12:05 PM  
(CHECK-IN 35 MINUTES PRIOR)**

- Check the start list under DOWNLOADS, where you can see the various starting categories.
- Choose between the category with clothes transport (2,500 spots) or with swim bag (2,000 spots).
- Purchase a ticket on Wednesday, August 12, 2026 (in case of postponement: August 19, 2026) from 17:00.
- Arrive at Stadthausquai roughly 35 minutes before the start.
- Depending on the chosen category, you will receive a plastic bag for your clothes. The ORANGE or VIOLET (Purple) labelled categories are exclusively for people who will take their clothes with them in a water-proof bag purchased with the ticket or which they already own.
- People with numbered tickets (1–2,500) in categories ROT (Red), GRÜN (Green), BLAU (Blue), GELB (Yellow), and WEISS (White) must drop off their plastic bag at the Frauenbad Stadthausquai. Their clothes will be transported to the finish. We only transport items that fit in this bag.

## THE WATERPROOF SWIM BAG

In 10 unnumbered starting sectors, only people with swim bags are permitted. When registering, you can choose between two pricing models:

- Purchase our new swim bag with your ticket and pick it up at the start after ticket control.
- Purchase only the right to swim and bring your own swim bag.
- Mixed up the categories? At our info stand, we will sell additional swim bags this year at a special price (while supplies last). On land, it can be used as a backpack thanks to additional straps.
